

HOW TO GET TO AAA HEADQUARTERS

DIRECTIONS

AAA Headquarters in Saint Genis Pouilly in France are located in the “Technoparc du Pays de Gex”, a few hundred meters from Switzerland and the European Organization for Nuclear Research (CERN).

By plane:

The closest airport is Geneva Cointrin (Switzerland). It is 10 minutes away from AAA.

By car:

From the A40 Lyon-Genève-Mt Blanc exit “Bellegarde” and follow the directions “Gex” or “Pays de Gex” on D1206. After 9 km turn left on D884 to follow “Gex”. After 17 km you will find the indication Technoparc (**ENTREE 3**).

From Geneva or Geneva airport join the “route de Meyrin” and follow the indications “Meyrin”. Pass the village of Meyrin by remaining on the same road and follow the directions to CERN. After the CERN entrance you will cross the border to France. After entering in France, turn at the second roundabout on the left and then take the first turn on the right to enter the Technoparc (**ENTREE 1**).

By train:

The nearest railway station is Geneva Cointrin airport (Switzerland). It is 10 minutes away from AAA.
