

Legal Counsel (M/F)

- **About us**

Advanced Accelerator Applications (AAA) is a global pharmaceutical group listed since November 2015 on NASDAQ (ticker AAAP).

AAA was founded in 2002 as a spin-off of the European Organization for Nuclear Research (CERN), to develop innovative diagnostic and therapeutic products in the field of Molecular Nuclear Medicine (MNM). AAA focuses its development on molecular imaging and individualized therapy (personalized medicine) for patients with serious conditions. AAA is a European leader in the production and commercialization of PET (Positron Emission Tomography) radio-pharmaceuticals and is leading the innovation in MNM Therapy. The company has a strong pipeline and has maintained double-digit annual growth in sales for the past 10 years. AAA is headquartered in St Genis Pouilly, France and currently has 22 production and research & development facilities that manufacture both diagnostic and therapeutic MNM products, and over 500 employees in 13 countries (France, Italy, UK, Germany, Switzerland, Spain, Poland, Belgium, The Netherlands, Portugal, Israel, U.S. and Canada).

Global nuclear medicine pharmaceutical company is seeking an experienced corporate and transactional Legal Counsel to be part of the European in-house legal team based in AAA's corporate headquarters in Saint Genis Pouilly, France (near Geneva).

This Legal Counsel will report to and assist the European General Counsel.

- **Responsibilities**

- Involved in all aspects of European legal operations to support our continued growth.
- Ensure compliance with securities regulations, French corporate governance and other legal requirements imposed on a publicly listed company; advise on such matters.
- Assist proactively on preparation of Boards meetings and Shareholders General meetings; ensure all necessary filing and publication formalities as required by law.
- Advise on legal aspects of the Group's corporate structure considerations; draft and/or review any intra-Group agreements.
- Provide support on any mergers & acquisitions operations.
- Negotiate, draft and review any kind of agreements including confidentiality, consulting, distribution and supply agreements in compliance with pharmaceutical regulations.

- Provide assistance in the implementation of the global ethics and compliance program including SOX compliance and anti-corruption compliance.

- **Qualifications**

- Legal Master degree diploma required; CAPA a plus.
- Expertise in French corporate law / commercial law.
- At least 6 years of legal work experience as company in-house counsel in a regulated industry, or as private legal practitioner or a combination of the two (Work experience in a pharmaceutical company highly appreciated).
- Work experience in a listed company and exposure to SOX compliance matters a plus.
- Integrity and operational flexibility are must requirements.
- Excellent interpersonal skills and demonstrated ability to collaborate in multi-cultural teams.

Please note that excellent oral and written French and English language skills are a prerequisite for this position. Do not apply if you do not meet the excellent language fluency criteria.

Italian, Spanish and/or German language skills are also assets in this position.

- **Submission of your application**

Please send your application via email to recrutement@adacap.com. Your application shall include all the information you consider relevant, and, at a minimum, a motivation letter, your personal information, education, employment history and details on your current position and salary, as well as your salary expectations for this position.

Please note that we will only reply to candidates that we wish to bring to interview stage.
